## **After Care Program 2021-2022 School Year**

*After School Care at Saints Philip & James School offers a variety of activities for students. Activities are supervised by employees of the school. Students have the opportunity to work on homework, have playtime indoors or outdoors, depending on the weather, and enjoy a home-packed snack.*

### **After Care Procedures:**

1. Our After School Care Program operates from the first day of school until the last day of school in June. Hours are from dismissal until 5:30 p.m. A late fee of \$11.00 per hour will be charged after 5:30 p.m.
2. If school is closed for the day, there will be no After School Care program.
3. If you choose to have your child participate in after school activities, notify the school in writing. We need an authorized person (listed on Emergency Form) to sign the child out by 5:30 p.m.
4. Payments are made through FACTS.
5. School rules, as stated in the SSPJ Student/Parent Handbook, will apply to the After School Care Program, including the Acceptable Use of Technology Agreement.
6. Children will only be released to a parent or one of the emergency names on the emergency form. A note is required for any changes.
7. A scheduled homework period will be provided on most days. However, it is the responsibility of the parent to ensure that all homework is completed.
8. Families are responsible to provide a daily snack for the child (2 snacks for early dismissal days).
9. Parent(s)/Legal Guardian(s) give SSPJ After Care staff permission to contact the persons listed on the Student Emergency Information form in an emergency situation when Parent/Legal Guardian is not available. In Parent(s)/Legal Guardian(s)' absence, the people listed are authorized to make decisions concerning the child(ren). After School Care program requires a note or phone call if someone other than those listed will be getting the child(ren). Any court documents regarding custody or visitation arrangements should be presented to the principal. While the child(ren) is(are) in After Care, should an emergency occur, every effort will be made to contact the Parent(s)/Legal Guardian(s). If all efforts fail, Parent(s)/Legal Guardian(s) consent to any medical treatment deemed necessary by competent medical personnel to save the life or preserve the health of the child(ren).

**Parents/guardians please sign this form and return it to the school office. Thank you!**
