Saints Philip and James Mission Statement

Saints Philip and James School helps students believe in God and themselves, to care about their neighbor and their world, and to excel as students and citizens of this world and His Kingdom.

Introduction

This handbook exists to foster the efficient operation of Saints Philip and James School. To meet this objective, the school administration is given flexibility and the ability to exercise discretion. In appropriate circumstances, the Pastor and Principal have the discretion to take actions other than those specified in the handbook. This handbook is not intended and should not be considered to create any additional rights for students or parents/guardians.

This handbook is subject to change at any time when determined to be necessary by the school administration. If changes are made to the handbook, parents/guardians will be notified promptly via email.

This handbook is intended to acquaint students and parents with the philosophy, policies, programs and regulations of Saints Philip and James School. Enrollment in the student body of Saints Philip and James indicates the acceptance of these policies and regulations by the students and their parents. All are expected to be familiar with the contents of this guidebook and abide by the rules set forth.

Observance of the regulations outlined will create a more efficient and pleasant school environment that will be beneficial to all in the Saints Philip and James community.

General Information

Saints Philip and James is a co-educational Catholic parish school serving the youth of Warren County, and portions of Pennsylvania, staffed by parish priests, religious, and lay teachers.

Saints Philip and James School is situated on twenty-one acres in Phillipsburg, New Jersey. Our facility consists of twenty-four classrooms, our Chapel, The Holy Family Library, auditorium/gymnasium, cafeteria, computer lab, nursing facilities, and science lab.

Our students are drawn from St. Philip and St. James of Phillipsburg; St. Patrick of Belvidere; St. Mary of Alpha; Church of the Annunciation of Bloomsbury; St. Ann of Hampton; St. Edward the Confessor of Milford; St. Rose of Lima of Oxford; St. Catherine of Sienna in Pittstown; St. Joseph of Washington, and St. Mary of Hackettstown; as well as areas of Pennsylvania.

While not fully handicapped accessible, the school makes reasonable accommodations to assist physically challenged students.

Saints Philip and James School is a smoke-free facility.

Mission, Philosophy, and Objectives

The mission of Saints Philip and James School helps students believe in God and themselves, to care about their neighbor and their world, and to excel as students and citizens of this world and His Kingdom.

Saints Philip and James School is committed to the classical Catholic concept of education, whereby a child is taught to know, love, and serve God in this life with a view to sharing Eternal Life with God in Heaven. To this end, we endeavor to do more than simply prepare students for high school, college, and career. Rather, we aim to help our students live their life in relationship to God and neighbor, according to the teachings of Jesus and His Church.

We strive to help each student reach their full academic potential. But we believe that there is much more to education than academics. Teaching children to use the gifts God gave them in whatever vocation He gives them, be it in the priesthood, or religious life, as married persons and parents, or as single Christians who live their Faith in the midst of the world, is our primary concern.

Our school is centered on the Eucharist, and maintains a filial love for the Blessed Mother. By sharing the Bread of Life and honoring Mary as our diocesan patroness, we contribute to the deepening of God's love within our school and in the world.

In striving to develop a community characterized by intellectual and moral responsibility, the faculty, staff and students who labor and learn within Saints Philip and James School combine their individual talents, personalities, experiences and heritages.

The school endeavors to cooperate with parents and the community in developing young persons who not only possess the knowledge and skills needed for competence within our society, but who also live according to the values and convictions of the Catholic Church.

The administration, faculty and staff members must be persons willing to create an environment, through principle and example, wherein personal growth will flourish and actions will be guided by virtue. They must be persons totally committed to the pursuit of professional excellence and sensitive to the varied needs of the individual student.

We believe that the individual student has the right to be challenged through a structured, value-oriented education in preparation for life in an ever-changing society.

Accreditation

Saints Philip and James School is fully accredited by Cognia.

I. GENERAL SCHOOL/CLASSROOM POLICIES

Office Procedures

The school office is open from 7:30 AM to 3:30 PM. Contacting students during the school day is generally not permitted, but may be warranted in an emergency. Please call the Main Office in such a case. **PLEASE NOTE:** If you need an early dismissal for your child, please do so **before 2 PM**. (Afternoon dismissal is quite busy and we need to focus on the safe departure of all our students.)

Messages for teachers may be left in the Main Office. Faculty members will return your call during their preparation time or after school. Our policy is that teachers will return calls within 48 hours. (Excluding weekends). Our faculty members have school emails: lastname.firstname@spsj.org (i.e. bell.patricia@spsj.org). Administrators may be contacted directly by email or by school phone, and are available for conference by appointment. Please always feel free to contact administrators with your concerns, questions, or suggestions.

Parent Support

The education of our students is a partnership between parents and school. Saints Philip and James aims to assist parents in this privilege and responsibility of leading young people to develop their own personalities and potentials in order to be prepared as responsible members in today's society.

Parents' attitude toward the school and teachers is most important, as it will be reflected in the attitude of the child. Parents are asked to maintain a united authority between themselves and the school. Children should view the classroom teacher as an extension of parental authority.

Parents are reminded that criticism, complaints, and gossip are absorbed by the child and become part of his/her education. Obedience cannot be taught in school if it has not been taught at home.

If in the opinion of the administration, this partnership is irretrievably broken, this school reserves the right to require parents to withdraw the child/ren.

In addition to paying tuition, every parent is required to perform 25 hours of service to the school per school year. These 25 hours are in addition to two major fundraiser events (ie. carnival/festival shifts). Numerous volunteer opportunities are available for all families. All volunteers that participate in events that involve children are required to complete the volunteer application, be fingerprinted, read and sign the Diocese of Metuchen Code of Pastoral Conduct, and participate in the *Protecting God's Children* Seminar. Specific information on these requirements are available in the school office and on the website.

School Problems

It is important that there be a consistency of authority between parent and teacher. It is good policy to withhold judgment on what appears to be a grievance until all the facts are gathered. The following guidelines are offered as useful tools in solving difficulties of this nature:

- a. Contact the proper person(s) as soon as possible.
- b. Classroom teachers appreciate FIRST calls.
- c. Contact the administrators if unsatisfied.

In most cases, problems can be resolved with little difficulty. Problems discussed with neighbors and friends are often exaggerated and cause greater misunderstanding than the situation warrants.

Non-Discrimination Policy

Saints Philip and James School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Saints Philip and James School does not discriminate on the basis of race, color, national and ethnic origin in administration, in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

Admission

While philosophy of education is based upon Catholic principles and values, Saints Philip and James welcome students with other religious backgrounds. It is normal practice to interview potential families/students, ensuring that all necessary services may be provided, before students are enrolled into the school.

Whenever available spaces are limited in any given grade level, preference will be given to:

- a. Registered parishioners of the supporting parishes who currently have siblings in the school.
- b. Catholic students registered in parishes other than those supporting the school who currently have siblings in the school.
- c. Registered parishioners of the supporting parishes who currently have no siblings in the school.
- d. Catholic students registered in parishes other than those supporting the school who currently have no siblings in the school.
- e. Un-registered, or non-Catholic students.

Waiting lists for grade levels are maintained for one academic year only. Re-registration is required for the succeeding academic year.

- A child, who is 3 years of age on or before October 31, and able to use the bathroom facilities unassisted, may be admitted to the **Pre-Kindergarten 3 year old program**.
- A child, who is 4 years of age on or before October 31, and able to use the bathroom facilities unassisted, may be admitted to the **Pre-Kindergarten 4 year old program**.
- A child who is 5 years of age on or before October 31 may be admitted to the **Kindergarten program**.
- A child who is 6 years of age on or before October 31 may be admitted to **First Grade**.
- Ages must be verified by a birth certificate and immunizations must be complete. A Baptismal Certificate and verification of reception of any additional sacraments are required of Catholic applicants.
- After meeting age requirements, students entering by transfer from another school are admitted upon application and proof of satisfactory completion of work at the previous grade level.
- All admissions are subject to a 60 day probationary period.

AN APPLICATION WILL NOT BE CONSIDERED COMPLETE UNTIL ALL PAPERWORK HAS BEEN SUBMITTED, INCLUDING IMMUNIZATION RECORDS.

Attendance

We believe regular attendance and participation in classes, along with interaction between student and teacher, as well as interaction among students in class, is a vital and an integral part of the learning process. Attendance is viewed as a prerequisite to achieving educational ends.

It is requested that absences be verified with a call to the School Office (908.859.1244) by the parent or guardian by 8:30 AM the morning of the absence.

- Following the day of absence, a student should bring a note from parent/guardian to the homeroom teacher, stating the reason for the absence and listing the dates the child was absent.
- A student who is absent three (3) consecutive days must bring a doctor's verification of illness to the Main Office.
- A student that has more than 18 absences, or excessive late arrival to school may result in the student being retained. In addition, this excessive absence to school may warrant notification to the Division of Child Protection and Permanency.
- Any student absent from class is required to make up for all work missed. Although it is impossible to make up much of what occurs in the structured classroom setting, it is the responsibility of the student to obtain the work.
- Vacations during the school year are strongly discouraged. Make up work and tests must be completed within one week of the student's return. The faculty and administration will make every effort to assist the student with incomplete work, due to the absence. However, it is the responsibility of the student to make up all missed assignments and tests within the time allotted. If the required class work is not made up in the time allotted, the student will receive a failing grade for the missing work.

If a student is absent from school due to illness or a disciplinary action, he/she will not be permitted to take part in extracurricular activities that afternoon or evening, unless a reprieve is granted by the administration. If the absence is due to another reason, the school reserves the right to make an individual judgment regarding same-day extracurricular participation.

All students are required to attend, and participate in, all classes and activities sponsored by the school during the academic day.

Arrival and Departure

The school's responsibility for supervision of students begins at 7:30 AM and ends at dismissal (12:15 PM on early dismissal days; 2:35 PM on regular dismissal days).

Students arriving at school are to enter the cafeteria via the lower level front entrance, and will proceed to their classroom for their homeroom period and to begin the school day.

Under NO CIRCUMSTANCES shall students be in the building or on the grounds (including the PLAYGROUND AREA) in an unsupervised capacity.

Students are not permitted to leave the school grounds unauthorized at any time once they have arrived for the day. A parent or guardian must come to the Main Office to sign students out if they must leave before dismissal time. If a child returns to school after an appointment, parent/guardian should sign the child in at the Main Office and provide a physician's or dentist's note. In every instance of leaving school early, students are responsible for completing the missed required work.

At afternoon dismissal time, bus riding students gather in the foyer and are escorted to the proper bus, while walkers/car riders are escorted to the cafeteria by homeroom teachers. Students may not leave the cafeteria until parents are visible on our plaza. Pets are not permitted out of cars in the parking lot or plaza.

If you choose to have your child walk home or to another location after school, written permission is required and should be sent to the school office. If the method of dismissal changes at any time, the homeroom teacher or the school office should be notified.

At dismissal, children will be supervised in the cafeteria until 2:45 p.m. (12:30 p.m. on early dismissal days) at which time they will be escorted to the After School Care Program, until a ride is available.

Lateness/Tardiness

Promptness is an essential requirement in our daily lives and should be developed during the school years.

- If a student arrives to school:
 - after 8:00 A.M. he/she is considered tardy.
 - late, the student must be accompanied to the office by **a parent/guardian**. Once signed in to school by a parent/guardian, the student will be given permission to report to class.

Homeroom

Morning prayers, the Pledge of Allegiance, and announcements will be conducted in the homeroom at 8:00 AM. First period classes begin at approximately 8:10 A.M. A student arriving after 8:00 A.M. is considered tardy.

Custodial and Non-Custodial Parents

If there is a court order specifying the rights and responsibilities of individual parents/guardians, it is the responsibility of the custodial parent/guardian to provide the school with an official copy of the court order that outlines the non-custodial parents' rights of access to the child, restraining orders, etc. The custodial parent must provide an updated court order at the beginning of each school year. The school abides by the provisions of the Buckley Amendment. Thus, non-custodial parents will be given access to the academic records and to information regarding the academic progress of their children, unless there is a court order specifically stating that the non-custodial parent is denied access to such information.

Hall Regulations

During the passing of classes, students are to keep to the right of the corridors and proceed in a prompt and orderly manner, continuing appropriate behavior. Students will not linger in the halls or congregate at the lockers.

Students are never to assume permission to leave class or to leave the school grounds.

Lockers

Student lockers remain the property of the school and are on loan to students.

- Lockers are subject to administrative search in the interests of school safety, sanitation, discipline, enforcement of school regulations.
- On presentation of the proper warrant, lockers are subject to search by law enforcement officials.
- Lockers are to be kept clean at all times. Periodic clean out of lockers will be held during the school year. Food is not to be left in the student's locker overnight. Students are responsible for the care of their locker.
- Any damage by the user directly or through neglect will be the financial responsibility of the student and/or parents.
- The school is not responsible for lost or damaged articles, and strongly discourages leaving valuables inside lockers.
- Students are permitted at lockers only during teacher specified times.

Care of School Property

The school building and grounds are maintained for the use, not abuse, of students. Keep school property as clean as possible so that we can all be proud of the appearance of our campus. Appropriate fines, charges and disciplinary action will be assessed in cases of damages, vandalism, or graffiti.

Cafeteria Policies

The student dining room facilities are provided for lunches and special occasions. Students using these facilities are expected to maintain a clean, orderly atmosphere. Food and beverages (with the exception of

water) are not to be taken out of the student dining room. All refuse must be deposited in receptacles provided. Students or volunteers are not permitted in the kitchen area of the cafeteria.

Lunchroom tables are to be left clean by the students using them. Failure to do so will be reported by the proctors, and repeated offenses will result in disciplinary action and the restriction of a student (or students) to an assigned table. All cafeteria tables will be cleaned and sanitized after each use by the custodial staff.

Proctors both in the cafeteria and outside of it are the school authorities in charge of supervision. Their directives to students should be obeyed. Students are to use the lavatory off the cafeteria area. If a student has a lunch time appointment with the administration or a specific teacher, a pass should be presented to the lunchroom teacher/monitor. If an emergency necessitates a visit to the nurse's office, the lunchroom monitor should be notified so that assistance may be arranged.

Recess

Good sportsmanship is to be exhibited at all times. Tackling, fighting, keep away, running (unless running is incorporated in an organized, outside game) or any form of rough play is not allowed at recess. Designated use only, of playground apparatus, is strictly enforced. If an emergency necessitates a visit to the nurse's office during recess, the lunchroom monitor will arrange assistance.

If a student that was outdoors for recess needs to use the restroom or visit the nurse's office, the recess monitor needs to be notified, and will make the necessary arrangements. If a student that was outdoors for recess needs to come into the school building, that student will remain in the building until recess is over, so that he or she may be supervised at all times.

A student with a written medical excuse advising no participation in gym or recess, the student will remain in a safe location either in the gym, playground or office under adult supervision.

Library

Our Holy Family Library facilities are available to all students of Saints Philip and James. Every child in the school is provided with the opportunity to visit the library regularly. Any lost or damaged books may result in a fine or replacement charge.

Emergency Plans

Saints Philip and James School has emergency lockdown, evacuation, fire drills, and 'sheltering in' procedures in place, studied and practiced by our faculty and staff members. If the need arises, our students may be evacuated to an appropriate facility. The regular evacuation site for Saints Philip and James School is St. Luke's Warren Hospital. Parents will be notified via our School Notification System as to their child/ren's location.

In the event of a need to exceed our regular emergency lock-in and evacuation plans, SSPJ has made provisions for 'sheltering in'. On the basement level of our school, there is a facility without exterior windows, (Room B-1). Specific information has been forwarded to our Catholic Schools Office, the local Police, Fire and EMS Departments.

For evacuation purposes, exit directions for each room in the building are posted. These directions specify the route to be taken for a fire drill, evacuation to the above mentioned locations, and alternate routes.

General procedures for evacuating the building are:

- Students are to follow designated exit instructions. Students in corridors, stairwells, or other areas having no posted directions are to proceed to the nearest exit.
- Students are to walk rapidly, quietly, and in good order to the assigned exit.
- Students will remain in their class group and assemble 100 feet beyond the building with their teacher. Students not in class during the drill will report to the nearest faculty or staff member.
- All fire lane areas(front of school) are to be cleared for emergency vehicles.
- All students, faculty, staff, and visitors are required to leave the building during a fire drill or evacuation.
- Students, faculty, staff, and visitors are not to re-enter the building until the “all clear” is given by the administration.

Field Trips

Participation in field trips is a privilege. The Principal shall determine if a student may not participate in a field trip. Students will be representing themselves, their families, their school and their community while on school trips. Full cooperation and excellent behavior is required. Such trips are made only with the permission of the parent or guardian.

When such trips are being planned, the Diocese of Metuchen Permission Form will be sent home to be signed by the parent or guardian, **notarized**, and returned to the teacher.

- Only the standard Diocesan permission forms can be accepted.
- A non-notarized permission form may be accepted for walking trips and for trips within close proximity to the school.
- All permission forms should be notarized unless otherwise specified.

Students are expected to wear clothing approved by the Principal and trip moderator for special school activities and class trips. In all cases, clothing must be modest and in good taste and should reflect the values taught in a Catholic school. Students dressed inappropriately will not be permitted to participate in the activity or field trip.

The classroom/substitute teacher and other adults will supervise all field trips.

Medications will not be administered by teachers or chaperones on field trips. If a child requires medication/special medical attention during a field trip, please discuss this with the principal and the school nurse **prior** to the trip so that arrangements can be made. Our school nurse does not accompany children on class trips. The school reserves the right to require the parent to attend the trip.

The following policies have been adopted by the Diocese of Metuchen concerning field trips. They cover all activities that take place outside of the normal school facilities:

- All field trips must be educational in nature

- A signed Diocese of Metuchen Permission Form must be obtained from the trip moderator, signed, notarized, and returned prior to the activity.
- The supervising teacher should be in possession of these forms throughout the activity. A copy of these forms will be kept at the school during the duration of the activity.
- Permission forms are necessary to inform parents/guardians of the nature of specific events that occur outside of school facilities and to expedite emergency medical treatment when necessary. Permission forms do not alleviate the responsibility of the supervising adults to exercise reasonable care and responsible supervision.
- In the event of an emergency, reasonable effort must be made to contact a parent or guardian prior to seeking appropriate medical attention. Since there is a possibility that local hospitals may not treat a non-life threatening injury unless the supervisor has a notarized form of “Permission to Treat”, or, the parent is physically present; it will be necessary to have parents not only sign a “Permission to Treat” form, but to have the form notarized.
- Approved buses must be used for transportation for all field trips. On long journeys such as out-of-state travel, the students must be transported in approved coaches rather than standard school buses for the safety and comfort of all those involved with the trip.

Assemblies

Assemblies of educational value and entertainment are offered. Students are to report to such assemblies as directed and in an orderly and prompt manner. Students are to sit in the assigned area under the direction and supervision of their teachers.

The individuals involved in presenting the assembly are deserving of your attention and respect, as are your fellow classmates. Distracting, disturbing or discourteous acts will not be tolerated. Students demonstrating the inability or unwillingness to exercise proper conduct may be restricted from future assemblies.

Dances and Activities Nights

The administration specifies the rules, including dress code regulations, for each dance and activity night. The Administration has the right to restrict students from school dances and other school social events. Students under suspension or absent from school on the day of the event, may not attend the event. Only students of Saints Philip and James School may attend the after school activities, unless specifically noted.

Liturgies

The integration of the Catholic faith and values is brought about in the Catholic school. The Religion curriculum and liturgies are appropriately planned for the children. All members of the student body attend and participate in both regardless of religious affiliation. Students should wear their dress uniform for all liturgies, unless noted by the administration. Students, teachers, and staff will follow the guidelines of the Diocese of Metuchen, Warren County Health Department, and the CDC for Holy Mass at school.

Tuition/Financial and Volunteer Responsibilities

Tuition and Fees: Tuition and fees as outlined on our enrollment contract, may be paid in ten (10) monthly payments starting in August through the school's authorized collection agency (FACTS). An annual FACTS enrollment fee of \$45.00 (or current FACTS enrollment fee) will be deducted from the responsible party's account within 14 days of enrollment in the plan.

The payments include tuition and additional fees, which may be paid in these ten (10) monthly payments. A 3% discount is offered on the "tuition only" portion of the yearly tuition cost if paid in full prior to July 31st. The first tuition payment must be made in order for your child/ren to start school, as well as any outstanding financial obligations from the prior term .

The tuition contract with FACTS requires the full payment of tuition under all circumstances. Withdrawal, suspension, or expulsion does not terminate a parent/guardian's responsibility to pay the full tuition.

The school has the right to deny privileges such as field trips and extra-curricular activities, and/or suspend service to a student for non-payment of tuition and/or fees.

Volunteering : In order to meet the costs of educating your child(ren) with an outstanding Catholic education, it is required that each Saints Philip and James School family will volunteer 18 hours and purchase RaiseRight gift cards. Volunteers must successfully complete the required clearances before volunteering for any activity or event that involves children. A Volunteer Buyout option is available by a specified date.

Earning Funds Back: Throughout the school year, various fundraisers are offered that may be credited to the Earning Funds Bank Account. Families may choose to participate in these fundraisers and have the opportunity to earn a portion of each sale to their Earning Funds Bank account. Families will receive a check at the end of the school year for the amount earned for participating in the fundraisers. Please note that the Earning Funds Back refund will only be submitted to the school family if payments for all school accounts (tuition, after school care, lunch account, summer care) are up to date.

RaiseRight/Gift Cards: Gift Cards are available for purchase online, or may be ordered through the school office. Each family is required to purchase \$2,500.00 in Gift Cards during the school year. Please note that 50% of the RaiseRight profit will be applied to the family's Earning Funds Bank account and 50% of the RaiseRight profit will be donated to Saints Philip and James School.

After School Care Program:

- Our program operates from the first full day of school until the last day of school in June. Hours are from dismissal until 5:00 p.m., with the exception of some days, i.e. before a holiday.
- A \$50 registration fee per year will be assessed after 5 days in the After Care Program, for each child enrolled in After Care.
- The After School Care Registration Form must be submitted. The fee for students in grades PreK-8, is \$10.00 per hour, beginning at 2:45 p.m. with a sibling discount of 10%.
- If your child remains in aftercare beyond 5:00 pm you will be charged \$11.00 per half hour.
- Families will be billed on a weekly basis through the FACTS system with payment due in 10 days following invoice date.
- Saints Philip and James reserves the right to restrict the aftercare program use, should your account become delinquent.

Summer Care: In the event that a Summer Care Program is available, billing for this program will be done on a weekly basis. Invoices should be paid within 5 days of invoice.

Before School Care: Before Care is available each school day beginning at 7:00 a.m.. The cost for Before School Care is \$10.00 per day. For families with more than 1 child, the cost will be \$15.00 per day. Families will be invoiced through the school's bookkeeping office. The Before Care Registration Form must be submitted.

Credit Cards: Please note that credit cards are acceptable for school payments, with credit card processing fee. The credit card MUST be in the name of the person presenting it. Identification may be required. This can be used for tuition, lunch accounts, After School Care, Before School Care, fundraisers, and RaiseRight gift card purchases, and other school charges.

Visitors

Visitors are welcome to Saints Philip and James School and must come directly to the school office. Visitors are only permitted to have contact with students, (ie. Lunch duty, classroom activities and events) with the appropriate clearances. The administration reserves the right to limit visitors to the building.

Personal Property

All articles of clothing or personal items subject to loss should be clearly and permanently labeled. Saints Philip and James assume no liability for personal belongings brought to school and lost or damaged.

Money sent to school for a specific event or purpose, should be placed in a sealed envelope and identified with the child's name and homeroom, and its purpose.

Dangerous Items

Under no circumstances are students to possess dangerous items at any time during the school day. These are items of potential hazard to others or to property. Such items will be confiscated, parents contacted, and appropriate action taken. The Principal and the Pastor have signed a Diocesan approved Memorandum of Agreement with NJ law enforcement agencies to report serious offenses and crimes if they should take place at Saints Philip and James School.

Lost and Found

Lost articles found in or on school property, must be returned to the school office. Such articles may be claimed after satisfactory identification. Articles not claimed within a reasonable amount of time will be discarded. Students are encouraged to make sure that their names are on all items brought to school (e.g. sweaters, sweatshirts, lunch boxes, hats, gloves).

Student Health Services

Children should not be sent to school if ill before they leave home.

- Children should be fever free, no vomiting or diarrhea for seventy-two (72) hours before returning to school, as well as having and tolerating 2 regular meals.
- All students (and all employees) will be screened and have their temperature taken each day before entering the school building.
- Children diagnosed with a communicable disease, such as strep throat, conjunctivitis, etc., need to have been taking antibiotics for 24 hours before returning to school.

- The school nurse is available for any student who feels ill or is injured during the school day. In the event of an accident, no matter how minor, the student should report that accident to the nurse immediately.
- In the event of serious accidents or illness, emergency care will be given and the parents will be notified. The school is responsible only for immediate first aid. The legal responsibility for medical care rests with the parents.
- Physical examinations by your family doctor are required for all new students, and all students entering 4th and 7th grades.
- All students are screened annually for height, weight, and blood pressure. Vision and hearing tests are done for PreK, K-3, 5 and 7. Scoliosis screenings are for students over age 10. Any discrepancies are noted, and/or referred for follow-up.

Emergency Information Forms

The Emergency Form must be completed and returned to the office before the first day of school.

- Forms are available via the school website.
- It is imperative that parents are sure the people whose phone numbers are listed on this form will be available, if needed, during the school day.
- It is the responsibility of the parent to notify Saints Philip and James of any updates or changes in the names and numbers on the Emergency Information Form.

Policy on Administration of Medication

Saints Philip and James School strongly discourages the administration of either prescription or non-prescription medication in school or on school-sponsored activities. However, if it is absolutely essential that a student receive medication while under school supervision, the following procedures apply:

- A. A parent/guardian should come to the school and personally administer the medication.
- B. If this arrangement is not possible, the school nurse will administer the medication if the following conditions are met:
 - The medication is given to the school nurse by the parent/guardian in the original pharmacy-labeled container.
 - The parent/guardian and the student's physician must complete and sign an “**Authorization to Administer Medication in School**” form. This form is available from the school. This requirement is a NJ state law and includes non-prescription as well as prescription medications.

Students will be permitted to self-administer medication only for life-threatening illnesses or conditions. The parent/guardian must schedule a conference with the school nurse to discuss in detail the need for the medication.

Students may **not** keep any medication in their possession. All medications must be kept in the health office. This includes over-the-counter medications, such as cough drops.

Lip balm, sunscreen, etc. should be applied at home and left at home. The school nurse has Vaseline for such problems.

Food Allergy Policy

Saints Philip and James School recognizes that life threatening food allergies are a serious condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, Saints Philip and James School will maintain a school wide procedure addressing life threatening reactions and maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.

In order to minimize incidence of life threatening allergic reactions, Saints Philip and James School will provide training and education for all Saints Philip and James School staff. In conjunction with student's parent/guardian and primary care provider and/or allergist the school will maintain an Emergency Action Plan for any student identified with a potentially life-threatening allergy.

The training will be provided to ALL school employees (including office staff, food service staff, etc.)

- A description/definition of severe allergies and a discussion of the most common food, medication, latex, and stinging allergies.
- The signs and symptoms of anaphylaxis.
- Specific steps to follow in the event of an emergency.
- Activating Emergency Medical Response – Dial 911.
- Location of emergency EpiPen.
- Policy and procedure will be reviewed at the beginning of every school year.

Students Medically Excused from Physical Education Classes

Temporary absence from the physical education program requires a written statement from a physician and sent to the school nurse and principal. The information will be passed on to the appropriate teachers. Permission to return to the program must also be in writing from the physician. Students excused on a temporary basis from physical education/recess will remain in the gym with their class or will remain in a safe location under adult supervision.

Counseling Services

Although Saints Philip and James School does not have a regular school counselor, the principal may recommend specialized counseling services through outside agencies to address school and other related issues with students as needed. In addition, the Diocese of Metuchen may also provide counseling services in some situations. Any parent that requests a session for the child with the counselor, should contact the principal to make arrangements.

The counselor, administration, faculty, and staff, will maintain the confidentiality of the student unless it involves health, safety, or sanctity of life.

New Jersey State law requires any person who has reasonable cause to believe a child may have been subjected to abuse or neglect, must make a report to the New Jersey Children and Family Services

Internet: www.wfmz.com

In the event of a school closing, after the start of the school day, children will be supervised by the teacher or a school administrator, until the child is picked up by the parent.

The conference is limited to ten minutes, in order to accommodate all families. If additional time is needed, another conference may be scheduled. Parents may request an appointment for a conference by contacting the school office. Students in grades 4-8 should be included in the conference, whenever possible.

Subsequent Parent teacher conferences may be requested by parents or teachers as needs arise. Please phone the school office, or email the teacher directly to request an appointment for a conference whenever you feel the need to do so.

Honor Roll Grades 6, 7, and 8

A student at Saints Philip and James School may achieve one or two Honor Rolls: Pastor's Honor Roll or Principal's Honor Roll. Honor Roll inclusion is determined by each of the four marking periods of the academic year.

Attaining the Pastor's Honor Roll requires all A and/or A+ grades in all subject areas. Attaining Principal's Honor Roll requires all A's and B's

Certificates are presented to the students who achieve either Honor Roll following the distribution of report cards for each marking period. An Honor Roll Breakfast is also offered to recognize those students that earned Honor Roll each marking period.

Academic Requirements

A student is promoted only if he/she has successfully completed the requirements of the grade level. The final decision on promotion or retention rests with the Principal. The principal will work closely with the student and offer suggestions to the family of a plan on how the student may successfully complete the grade level work, in order to be promoted.

- ✓ A student who fails two or more subjects will be considered for retention.
- ✓ In grades 3-8, the records of students who are failing two or more subjects, will be reviewed by the Principal to determine the students' status at Saints Philip and James School.
- ✓ In grades K, 1, and 2, lack of maturity in work habits, in social relationships, in academic skills of reading and math may warrant a child's retention.
- ✓ Possible/probable course failure/retention will be discussed in a meeting with the school principal, teacher, and the parents. Notices may also be mailed after the third quarter report cards.

Standardized Testing

MAP (Measure of Academic Progress grades 1-8) and the ACRE Religion Test (grades 5 and 8) are administered to students. Profile sheets are distributed to parents upon return of the test results. Test results will be entered on each student's permanent record card.

If time allows, students absent from testing will be tested as soon as possible, after their return to school, during the standardized testing week.

Access to Student Records

Parents/Guardians have the right to view their child's academic record, academic standardized test results, health records and emergency information from. These records can be made available upon request.

Records attached to publicly funded services provided through the local Board of Education are the property of the Board. The school is not permitted to distribute this information. A parent wishing to review these records must apply to the Board.

Transcripts of academic and health records may not be given to parents. All requests for transfer must be submitted from the sending school.

Student Contact Information Record Changes

When a student's address or home phone changes, it is extremely important that the new information be reported to the Main office as soon as possible. Changes in parents/guardians' work numbers and emergency numbers need also be reported immediately. It is crucial these items of information are current at all times.

Withdrawal from School

Any student wishing to withdraw from SSPJ must follow this procedure:

1. Obtain a form from our Main Office and indicate the name of the school to which records should be sent. The form will be signed by our Principal.
2. Pay all outstanding debts.
3. Return all school properties, textbooks, library books, etc. When all routine matters are satisfactorily cleared, the student's records will be forwarded to the next school. There is no refund on fees paid to Saints Philip and James School.

Homework Policy

Homework extends learning experience beyond the classroom and reinforces learning by giving the student a chance to practice without the pressure of time.

- Teachers are expected to assign meaningful and relevant homework. While the type and length of assignments will vary among departments and teachers, the important structure of homework must be maintained. The quantity of homework will be grade appropriate.

- Although homework is posted on PowerSchool, each student should have an assignment pad as the main source of homework information. Students are not permitted to return to the classroom after dismissal to retrieve forgotten books or materials unless they and a supervising parent have checked into the office for permission.
- Parents should provide an adequate study area, and plan a specific time to do homework. Parental supervision of homework is a crucial component in a student's academic success. Parents need to assist and encourage, but not do the homework for students.
- Parents should watch for signs that the student is not involved in homework activities. If any problem with homework or classwork is indicated, parents should not hesitate to initiate contact with the teacher.
- Homework is assigned to ensure that the student has mastered the subject matter. Homework will be corrected and discussed, but will not be graded. Specific homework procedures are explained in individual classrooms and will be discussed with parents and guardians at Back-To-School Night by the teacher.

Home Instruction

If a student is to be absent from school for medical reasons and is confined to his/her home or a hospital for a period of two or more weeks, the parent or guardian should contact the principal for information about the possibility of home instruction. Home instruction is not the responsibility of the school in the event of an illness or injury.

Students are expected to act with courtesy and respect toward one another and toward all members of the staff. They must take seriously their obligation to develop lifetime habits of self-control and concern for the well being of others. Home and School will work together to help students to learn and live the qualities of responsible behavior and the elements of good citizenship.

A student who chooses to disrupt the good order of the School or to violate a policy or regulation will have to accept the consequences of those irresponsible choices. Appropriate discipline is within the discretion of the Principal. Accountability for uncooperative, disruptive or unsafe behavior may take any of the following forms: misconduct referrals or warnings, assignments, denial of privileges, detention, in-school suspension, out-of-school suspension, or expulsion.

Actions that violate the law, threaten or cause harm to other students or staff members, disrupt or impede the welfare and progress of the school community, or bring discredit to the school will not be tolerated. Such actions or other severe violations of school rules may result in immediate expulsion. If a student persists in violating basic obligations of courtesy, consideration, respect, cooperation or safety, a Principal/Parent/Student conference may be scheduled. All subsequent discipline, counseling, consultation and corrective action plans will be viewed as positive Home/School efforts to help the student improve behavior. If these cooperative efforts of parents and school staff prove ineffective, the student will be subject to expulsion or may be denied re-admittance to the school.

School Rules

Students at SSPJ are expected to follow behavioral rules that reflect values and virtues consistent with good conduct and respect. These include:

- Expression of respect toward themselves and all others within the school community
- Neatness in appearance and in proper school uniform
- An attitude of respect toward personal, classmate, and school property
- Behavior that reflects responsibility and does not harm or endanger the health or safety of others
- Self-control and appropriate behavior in all areas of the school building, campus, and on field trips
- Truthfulness in communication and interaction with all school adults and fellow classmates

Search and Seizure Policy

In order to protect the safety, health, property, values, and welfare of the members of the school community, the school reserves the right to call for a search of the student's locker, book bag, desk, automobile, any other object on the school property or the person. Such searches will be with reasonable cause, in the sole opinion of the school administrator, that contraband, illegal substances, or inappropriate objects are concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and student to whom the desk or locker is assigned, may be searched by school administrators at any time, for any reason or for no reason at all.

No Intimidation Policy

Each and every student has the right to a safe school environment and the expectation that he/she has equal rights and responsibilities among students on the Saints Philip and James campus. Harm or perceived harm, even when it is threatened, whether on campus or off campus, directly or indirectly, by other SSPJ students, will not be tolerated. As in all things, SSPJ is making every good faith effort to comply with the spirit of N.J. law even though it does not apply to Catholic Schools.

Bullying and Harassment

New Jersey anti-bullying laws and regulations include the following definitions of harassment, intimidation and bullying:

“Harassment, intimidation or bullying” means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school property, at any school-sponsored function, on a school bus, or off school, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students and that: (a) a reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student’s property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property; (b) has the effect of insulting or demeaning any student or group of students; or (c) creates a hostile educational environment for the student by interfering with a student’s education or by severely or pervasively causing physical or emotional harm to the student. N.J. Stat. § 18A:37-14 (2011)

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems.

In order to be considered bullying, the behavior must be aggressive and include:

An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

Repetition: Bullying behaviors happen more than once or have the potential to happen more than once. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

Types of Bullying

There are three types of bullying:

- **Verbal bullying** is saying or writing mean things. Verbal bullying includes:
 - Teasing
 - Name-calling
 - Inappropriate sexual comments
 - Taunting
 - Threatening to cause harm
- **Social bullying**, sometimes referred to as relational bullying, involves hurting someone’s reputation or relationships. Social bullying includes:
 - Leaving someone out on purpose
 - Telling other children not to be friends with someone
 - Spreading rumors about someone
 - Embarrassing someone in public
- **Physical bullying** involves hurting a person’s body or possessions. Physical bullying includes:
 - Hitting/kicking/pinching
 - Spitting
 - Tripping/pushing

- Taking or breaking someone's things
- Making mean or rude hand gestures

(stopbullying.gov)

Procedure for Bullying and Harassment

1. Students will meet with the Principal and teacher to discuss the behavior.
2. Parents of students involved will be contacted.
3. If it is determined to be a case of bullying, the student (bully) will be required to make amends for her/his actions and accept appropriate consequences based on the discretion of the principal.
4. Formal written documentation will be kept on file in the Principal's office.

Conflict vs Bullying

Conflict is different from bullying. Not all disagreements and fights are bullying. Conflict is a normal part of human interaction and arises frequently in our day to day lives. Part of learning to be independent and grown up is learning how to deal with and respond appropriately to conflict at home, at school, and in your community. Recognizing the difference between conflict and bullying will help students, parents and teachers know how to respond.

Conflict is:

- A disagreement
- All parties have equal power to solve the problem
- All parties have an equal interest in the outcome
- All parties are of relatively equal size, age or status
- A conflict can be resolved by talking or working things out together or with help from an adult.

Bullying is:

- A repeated form of mistreatment where the victim cannot defend him/herself
- An imbalance of power – usually one person is either bigger or older than the other or has a higher social standing (is more popular) and uses this against the other person
- Usually involves repeated acts of harassment, harm or humiliation

Differences in Addressing Conflict and Bullying

Conflict is an important part of growing up but bullying is not. Conflict teaches kids how to give and take, how to come to an agreement and how to solve problems. When it comes to conflict, it's good for kids to learn conflict resolution and resiliency skills. These skills promote listening and working together to come to an agreement or plan to move forward. Conflict resolution works based on the assumption that both people are in part responsible for the current problem and need to work it out. In this situation, both kids make compromises and the conflict is resolved.

When bullying occurs, the bully is fully responsible for the situation. And the bully bears all the responsibility for change. For instance, bullies need to be told that their behavior is unacceptable and will not be tolerated. They also need to experience consequences for their behavior. Likewise, targets of bullying need to be reassured that they didn't cause the bullying, they did the right thing by reporting and that they are not to blame. They also should receive interventions that will help them overcome the negative impact of bullying so they can build self-confidence and resilience (*crsd.org*)

Sexting Policy

The mission of all Catholic schools is to bring students closer to Jesus Christ by teaching and living the gospel message in an environment where the unique value of each person is recognized, protected and respected. Certainly, issues of morality demand a strong partnership between the school and the family to protect students from dangers they do not foresee. The Catholic Church believes and teaches that human

bodies are gifts from God and temples of the Holy Spirit. The Church defines chastity as “the successful integration of sexuality within the person and thus the inner unity of man in his bodily and spiritual being.” (CCC2337)

The Diocese of Metuchen prohibits acts of harassment, intimidation or exploitation of all students. Each school must ensure a safe environment that reflects the gospel and is conducive to student learning. With more students having access to phones and social media accounts, it is becoming easier for them to send and receive explicit messages and images. **All students are expected to refrain from any and all conduct involving sexting. They are to respect the dignity of others and of themselves at all times. Sexting shall not be tolerated on school property, on the school bus, at any school sponsored function or off school grounds.**

In complying with this Policy, the following must be considered:

- Sexting is the production, possession or dissemination of sexual materials, including sexually suggestive text messages, nude/semi-nude photographs, or videos of themselves or others via cellular telephone or the internet by students on school property or at any school sponsored function. Sexting does not fuel committed, eternal love as God desires for us. It stands in opposition to God’s plan for us, and for that reason it is wrong.

- Pornography consists in removing real or simulated sexual acts from the intimacy of the partners, in order to display them deliberately to third parties.

- Creating or sharing explicit images of a child is illegal, even if the person doing it is a child. A young person is breaking the law when they take an explicit photo or video of themselves or a friend; share an explicit image or video of a child, even if it is shared between children of the same age; or, possess, download or store an explicit image or video of a child, even if the child gave his/her permission for it to be created.

Detailed definitions of the above policy is available in the Principal’s office.

Cyber Bullying

Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can include sharing personal or private information about someone else causing embarrassment or humiliation. Some cyberbullying crosses the line into unlawful or criminal behavior. (*stopbullying.gov*)

The most common places where cyberbullying occurs are:

- Social Media, such as Facebook, Instagram, Snapchat, and Twitter
- SMS (Short Message Service) also known as Text Message sent through devices
- Instant Message (via devices, email provider services, apps, and social media messaging features)
- Email

In complying with the above Policies, the following procedures may include:

- All reported incidents of sexting/cyber bullying shall be dealt with immediately.
- The school will take immediate measures to protect the victim and others involved in the incident.
- Report immediately to the Office of Schools, either the Superintendent or Assistant Superintendent
- Report immediately to the local Police Department.
- Secure all cell phones, computers or other electronic devices that may contain or have disseminated sexual materials.
- Secure all potential witnesses.
- Contact the parents of all students involved in the reported incident.
- Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices may face some or all of the listed consequences:

1. Temporary removal from the classroom

2. Parent conference
3. Deprivation of privileges
4. Suspension from extra-curricular activities/after-school programs
5. Counseling (in school or private)
6. In-school, out-of-school suspension or expulsion

Student Reporting System

The Diocese of Metuchen has required a system for students to use in the schools that will enable them to anonymously report to the administration incidents of: bullying, harassment, cyberbullying, violence, threats, weapons possession, alcohol or drug related issues, hazing, discrimination, ethics violations such as cheating or plagiarism, or other harmful or inappropriate conduct.

In complying with this Policy, the following Procedures shall be observed:

- **Stop!t** is the mobile and web reporting tool selected by the Diocese of Metuchen to be implemented in each school.
- Accessing this site:
 1. Students: Site is bookmarked on their school Chromebook
 2. On-line: <https://appweb.stopitsolutions.com/login>
 3. Access Code: LetsGoSPJS
- Principal shall monitor and immediately address any reports received.

Memorandum of Agreement

The Principal and the Pastor have signed a Diocesan approved memorandum of agreement with NJ law enforcement agencies to report serious offenses and crimes if they should take place at SSPJ.

School Discipline Policy

Grades PK – 3

- Positive Reinforcement is given throughout the school day for appropriate and excellent behavior (i.e. verbal praise, stickers, tickets to win a prize).
- Upon the first infraction, the child is given a warning (individual visual cue, i.e. colored card).
- Upon the second infraction, a consequence will be given (lose a few minutes of recess/playtime). (Depending upon the incident, the parent may also be contacted.)
- Upon the third infraction, the teacher will contact the parent(s).
- These infractions accumulate within one school day. Each new school day gives the child the opportunity to begin anew.
- A student always has the opportunity to earn back the privilege

Grades 4-8

A disciplinary report (DR) will be issued to a student whose behavior is inconsistent with school rules. This report must be signed by a parent/guardian and returned the following school day to the issuing teacher. Failure to return the disciplinary report signed the next day may warrant a telephone call to the parent.

Disciplinary reports may be issued for all on campus infractions before, during and after school hours, including evening activities, and for all off-campus activities sponsored or authorized by the school.

When a student receives three disciplinary reports, he/she will be scheduled for detention. Other reasons for detention could include, but are not limited to serious behavioral infraction of the school's discipline code.

Grades 4-8: Teacher supervised detentions will be held after school from 2:45 PM – 4:00 PM. In most cases, at least two days' notice will be given to parents.

Teachers have the authority to detain a student who disregards class and/or school regulations. A detention notice is sent home and the parents are asked to sign the notice and return it to school the next day. Parents are responsible for their child's transportation home after detention. If, due to unusual circumstances, there is an exception to the procedure stated, parents will be notified by telephone. We realize this procedure can be inconvenient for you and for us. However, no student will be excused from serving if he/she has been given a detention notice.

Suspension/Probation/Expulsion

Students are suspended from school and placed on probation when behavior warrants such action, in the judgment of the Administration.

In-School Suspension is issued for serious infractions, such as(*plagiarism, cheating, technology misuse, student interaction*), including misbehavior during detention and detentions in excess of three. In-school suspension removes the student from the classroom environment and places him/her under the supervision of a faculty/staff member. At the discretion of the Administration, the student may return to the regular classroom to demonstrate improved behavior or attitude. In-school suspension may last for a portion of the day, the whole school day, or longer. On occasion, for the student's safety, the administration may request a parent have the child assessed by a mental health expert before returning to school following a suspension. Parents will be notified of an in-school suspension by a telephone call from the Administration.

Out-Of-School Suspension would be issued to students who continue to behave in ways inconsistent with school disciplinary policy. Out-of-school suspension generally occurs after a student has served an in-school suspension; however, the administration reserves the right to issue an immediate out-of-school suspension when warranted. Out-of-school suspensions for a student may last from one to ten days. Parents will be notified of an out-of-school suspension by a telephone call from the Administration at which time a conference will be arranged between parents and Administration.

Expulsion is an extreme response by the school, reserved for individual behaviors that are serious threats to the school community. Expulsion is also warranted when repeated attempts to reform student behavior have failed. In all cases involving a possible expulsion from school, the parents of the student will be notified as soon as possible. An appointment shall be mutually arranged for the school administrator(s), parents and student to confer. Situations that may merit expulsion include, but are not limited to possession of a weapon or look-alike, continued and willful defiance of authority, continued and willful disobedience, physical assault, arson, grave defacing or destruction of school property or possession of alcohol and other drugs.

Transfer on Grounds of Parental Behavior

Normally a child is not deprived of a Catholic education or otherwise penalized for actions of parents, however, the Principal may recommend the transfer of a student when parents have been persistently and overtly uncooperative regarding school policies, regulations or programs. A transfer may also be recommended when parents have interfered in matters of school administration or discipline to the detriment of the school's ability to serve their own or other children.

Substance Abuse

The school is guided by the Memorandum of Agreement and the New Jersey Comprehensive Drug reform Act in its policy addressing substance abuse. The possession and/or use of controlled substances by students in school, or on the bus, or at school related activities and events is strictly prohibited. Trafficking in such substances will cause the school to contact the police, as required by law. The Administration, in cooperation with the Nurse, reserves the right to conduct searches of a student's clothing, possessions, and person when reasonable suspicion justifies such action. All such substances will be confiscated by the Administration. A meeting with the parents will be conducted to determine the future status of the student. Suspension, probation, counseling, a medical assessment for dependency, and expulsion are consequences the school will consider in appropriate circumstances.

Addressing Disputes With the School

The School and parents should strive to communicate with one another in an open and collaborative manner. It is the goal of the School to address parent concerns regarding their child's experience in the school. In turn, there may be times the School must raise issues pertaining to a student that are related to disciplinary, educational or social issues.

Recognizing that students are best served when families and the School can find mutually agreeable solutions to resolve differences or problems, it may sometimes not be possible to find a solution or compromise to accommodate the needs of the School and the student or their family. It is agreed by the School and the family that it is not an effective manner of communication to bring third parties into the conversation as it impedes collaboration and creates an adversarial relationship.

It is the policy of the School and the Diocese of Metuchen that in the event a family engages an attorney, the student cannot remain in the School as it represents a complete and irrevocable breakdown of the relationship between the School, the student and the family. Accordingly, the student must immediately withdraw from the School. The student is not eligible to be re enrolled at a later time.

When appropriate, parents will be called to bring proper uniforms into school for a student, or to retrieve inappropriate articles held in the Principal's Office. Please note, the Administration assumes no responsibility for these items, and will not replace, nor compensate for any lost articles.

The administration, faculty, and staff are aware any dress code cannot cover all situations. The administration reserves the right to decide, in all circumstances, if the student's dress is appropriate or unacceptable. If a student comes to school improperly attired, the parent/guardian will be required to bring the proper clothes to school if the child is to attend classes.

STUDENT/PARENT HANDBOOK ACKNOWLEDGEMENT

We have reviewed the Student/Parent Handbook containing the policies, rules and regulations for Saints Philip and James School. I have read the handbook. I understand and agree that the Handbook is binding on the students and parents during the current academic year.
