

**PERSONALLY OWNED COMPUTING/NETWORK DEVICE ACCEPTANCE OF
RESPONSIBILITY AND DEVICE USE AGREEMENT PERMISSION FORM**

I, _____ (Name of parent or guardian)

agree to let _____ (Name of Student) bring their personally owned computing device for instructional use in Saints Philip & James school. I understand that the student named above will be permitted to use their personally owned device, subject to the conditions in this document.

I understand that if I agree to allow my student to use their own device that Saints Philip & James school is not responsible for any device or data loss, theft, damage or other associated costs of replacement or repair incurred during the school day or at home as a result of participation in this program. I understand that Saints Philip & James staff will be unable to store, support or troubleshoot student owned devices. The student named above will take full responsibility for the device and will appropriately secure all devices when not in use.

Saints Philip & James uses technological measures such as filtering to promote internet safety. Filtering limits students' ability to access harmful internet sites from any device connected to the Saints Philip & James network, but only when this equipment is used in school on the Saints Philip & James network. Access through cellular networks does not provide the same measures of filtering. Students should only use the Saints Philip & James network (not private cellular service) for internet access while on Saints Philip & James property.

I have read and concur with the Internet Acceptable Use Policy. I further understand that any violation of the above may result in the loss of network and/or device privileges as well as other disciplinary action.

As a parent I understand that my child will be responsible for abiding by the above policy and guidelines. I have read and discussed them with her/him and they understand the responsibility they have in the use of their personal device.

I understand that the purpose of allowing my student to use their own device is to participate in teacher approved activities in support of the Saints Philip & James curriculum. Uses of these devices for unrelated activities beyond or outside the Saints Philip & James educational program are prohibited.
