

**POWERSCHOOL LUNCH ACCOUNT
PURCHASE AUTHORIZATION FORM**

Students have the opportunity to purchase lunch through our Pre-Paid PowerSchool Lunch Program. Through this program, students have the option of purchasing lunch without bringing cash to school.

Parents may add money to their child’s lunch account online, or may send a check to school. The link to the account online may be found on our website. You may designate the amount you wish to add to each child's account. Please note that funds need to be added to the account before the child purchases lunch. Or, if you wish, children may still purchase lunch by bringing cash to school.

Please note that families will receive “Balance Alerts” when the lunch account is under \$10.00. If an account become delinquent by \$30.00, the child will be unable to purchase a regular lunch until the account is made current. (However, a cheese sandwich and drink will be made available for purchase for the child with a \$30.00 delinquent account.) If an account is delinquent by \$15.00 or more, snacks may only be purchased with cash.

The following items may be purchased using this account with parent’s permission.

- Pre-K to Grade 4 Portion Lunch - \$3.50 (includes entree, vegetable, fruit, and milk)
- Grade 5-8 Portion Lunch-\$3.75 (larger portion of entrée, vegetable, fruit, and milk)
