

REFERRAL INCENTIVE

How does it work:

1. Refer a new family to SSPJ.
2. New family enrolls, and completes the 2020-2021 school year.
3. You receive \$500 credit to your tuition in May 2021.

Please note: only one existing family can receive credit per new family. Both families must fulfill all tuition obligations for school year before current family can be given \$500 credit.
