Discount Program for St. Luke's Employees

Saints Philip and James School, the only Catholic school in Warren County, is proud to offer a discount program for employees of St. Luke's! For the children of newly enrolling St. Luke's employees, a tuition discount of \$500 per child (for students entering Pre-K through Grade 7 for the 2025-2026 academic year) will be applied to the tuition for the first two years the child attends SSPJ. Employees will simply need to present a valid St. Luke's ID badge upon registration. Saints Philip and James School is conveniently located directly next to the St. Luke's Warren Campus, at 137 Roseberry Street in Phillipsburg, New Jersey. In addition to our faith-based, academically strong curriculum, we offer many extra curricular activities as well as both before and after care programs.
