

# RaiseRight™

by ShopWithScrip

## How to Calculate how much you have purchased so far, or your current rebate amount.

*Remember, families are required to purchase \$2,500 in gift cards each school year. After that total has been reached, families will earn 50% of the rebate total, and 50% will be donated to the school.*

- Visit [raiseright.com](https://raiseright.com)
- Click on "**Account**" (top right menu)
- Click on "**Order History**" (left side of page)
- Choose **Family/Report Selection**
- Select Report: "**Family Order History Report**" (drop-down menu)
- Report Begin and End Date: "**Custom Range**" (drop-down menu)
- Input your **start date\*** and **end date**  
*(\*Please note: when calculating your total amount spent, the start date is July 1. If calculating your earnings so far, please make sure to select a date AFTER you have hit your \$2,500 requirement. Families DO NOT earn any funds back on the initial \$2,500 worth of purchases).*
- Click "**Apply**" and then "**Run Report**"  
*(The report will download to your desktop).*
- **Open** the PDF.  
*The subtotal will be at the bottom of the far right column (under SCRIP rebate).*
- Take this sub total and divide by 2. The result will be your earnings.
